Exhibit 99.1

Newater Technology, Inc. Announces Year 2017 Audited Financial Results

Yantai, China, April 30, 2018 /Accesswire/ — Newater Technology, Inc. (NASDAQ: NEWA) (“NEWA”, “we”, “our” or the “Company”), a developer, service provider and manufacturer of membrane filtration products and related hardware and engineered systems that are used in the treatment, recycling and discharge of wastewater, today announced its financial results for the year ended December 31, 2017.

The year ended December 31, 2017 Financial Highlights (all comparisons to the year ended December 31, 2016)

- Revenues increased by 106% from \$12.28 million to \$25.34 million, which resulted primarily from the increased demand for our projects and services, evidenced by a large increase in our project sales, an increased number of customers and larger scale projects, and service sales.
- Cost of revenues increased by 121% from \$7.74 million to \$17.08 million, primarily due to the revenue growth in the same period.
- Gross profit increased by 82% to \$8.26 million in 2017 from \$4.54 million in 2016, while the gross profit margin was 33%, compared to 37% for the same period in 2016.
- Selling, general and administrative expenses (SG&A) increased by 77% from \$3.15 million to \$5.58 million, however, the percentage of SG&A compared to revenue decreased from 26% to 22%.
- Operating income increased by 93% from \$1.39 million to \$2.69 million. Our operating income as a percentage of total revenues was 11% for both 2016 and 2017.
- Basic earnings per share was \$0.26 in 2017 compared to \$0.28 in 2016.

Mr. Yuebiao Li, the Company’s Chairman and Chief Executive Officer, commented “2017 was an important and pivotal year for NEWA. Our company successfully completed its initial public offering and our common shares were listed on the Nasdaq Capital Market. We continued to have robust growth in our revenues and achieved strong operating results. We are excited about 2018, as our membrane technology was successfully selected as one of the advanced technologies to be promoted in China in 2018 by China’s Ministry of Water Resources in its proclamation “2018 Guide to Promote Advanced Practical Technology”. In addition, Phase I of our new manufacturing complex in Yantai, China, is expected to be completed as scheduled. With our new manufacturing facilities, we expect to increase our production capacity significantly, making it possible to meet the increasing expected demand for our products. In addition, we believe our unwavering commitment to R&D will position NEWA for a long-term growth.”

About Newater Technology, Inc.

Founded in 2012 and headquartered in Yantai, China, Newater, operating its business through its wholly owned subsidiary Jinzheng, specializes in the development, manufacture and sale of DTRO (Disk Tube Reverse Osmosis) and DTNF (Disk Tube Nano-Filtration) membranes for waste water treatment, recycling and discharge. Newater provides integrated technical solutions in engineering support and installation, technical advice and water purification services, and other project-related solutions to turn wastewater into valuable clean water.

The Company's products can be used across a wide spectrum of industries, including:

- Leachate from landfills
- Wastewater from oil fields
- High acid wastewater
- Power plant waste water
- Wastewater from gas production
- Desalination

More information about the Company can be found at: www.newater.cc.

Notice

Rounding amounts and percentages: Certain amounts and percentages included in this press release have been rounded for ease of presentation. Percentage figures included in this press release have not in all cases been calculated on the basis of such rounded figures, but on the basis of such amounts prior to rounding. For this reason, certain percentage amounts in this press release may vary from those obtained by performing the same calculations using the figures in the financial statements. In addition, certain other amounts that appear in this press release may not sum due to rounding.

Forward-Looking Statements

This press release contains forward-looking statements as defined by the Private Securities Litigation Reform Act of 1995. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements that are other than statements of historical facts. When the Company uses words such as “may”, “will”, “intend”, “should”, “believe”, “expect”, “anticipate”, “project”, “estimate” or similar expressions that do not relate solely to historical matters, it is making forward-looking statements. Specifically, the Company’s statements regarding: 1) its continued growth and business outlook, 2) completion of its manufacturing facility on schedule; and 3) ability to increase its production capacity to meet the anticipated demand for its products are forward-looking statements. Forward-looking statements are not guarantees of future performance and involve risks and uncertainties that may cause the actual results to differ materially from the Company’s expectations discussed in the forward-looking statements. These statements are subject to uncertainties and risks including, but not limited to, the following: the Company’s goals and strategies; the Company’s future business development; product and service demand and acceptance; changes in technology; economic conditions; the growth of the water filtration industry in China; reputation and brand; the impact of competition and pricing; government regulations; fluctuations in general economic and business conditions in China and assumptions underlying or related to any of the foregoing and other risks contained in reports filed by the Company with the Securities and Exchange Commission. For these reasons, among others, investors are cautioned not to place undue reliance upon any forward-looking statements in this press release. Additional factors are discussed in the Company’s filings with the U.S. Securities and Exchange Commission, which are available for review at www.sec.gov. The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date hereof.
